# THE POSTOFFICE ROBBERY

Believed That the Stolen Stamps Will Be Recovered.

Liability of the Postmaster Explained by the Chief of the Division of Bonds and Commissions of the Department-Work of the Inspectors.

at the office of the Chief Postoffice In-spector that the stamps which were stolen at the Chicago postoffice yesterday morning will be recovered. No further ceived at the Postoffice Department. The inspector in charge of the Chicago divis-ion has sole charge of the matter, and his reports regarding the progress of his investigation will not be given out until the thieves have been apprehended.

Regarding postmasters' bonds, the Chief f the Division of Bonds and Commissions

approved during the last fiscal year amounted to \$7,022,500. During the last fiscal year the losses from insufficient bonds amounted to \$12,518.78, a surprising by small amount of loss when we consider

ly small amount of loss when we consider that postmasters have collected and turned into the Treasury during last year the sum of \$102.534,579.29.

"This is only a loss of about 1 cent for every \$100 collected, or one one-hundredth of 1 per cent. The above figures show the very gratifying decrease in the loss of the department, as compared with the previous year, of 35 per cent.

"If for any reason whatever a new bond is required of a postmaster he is at once notified, and if he fail after two notices to furnish a new bond, the same is reported to the division of appointments, where a case is made up for the removal

Epeaking of the Division of Postoffice aspeciers and Mail Depredations, J. L. tristow, the Fourth Assistant Postmaster Lorest under whom survision comes

ing:

"The Division of Postoffice Inspectors and Mail Depredations was organized in 1872. It now ranks as one of the most important adjuncts of the public service. The general direction of the force of inspectors and the supervision of all matters pertaining to this branch of the service is vested in the Crief Inspector, with headquarters at the department. For convenience and efficiency, the territory of the United States has been apportioned into fifteen divisions, each having an in-

and Mail Depredations was organized in 1872. It now ranks as one of the most important adjuncts of the public service. The general direction of the force of later the process of the public service. The general direction of the force of later the process of the public service is vested in the Chief Inspector, with headquarters at the department. For convenience and efficiency, the territory of the United States has been apportioned into fifteen divisions, each having an inspector of charge, who has the general direction of all matters referred to him and of the Inspectors assigned to his division. The results of field investigations and the correspondence from the inspectors are transmitted to the department through the several inspectors in charge.

"The duties performed by postoffice inspectors embrace a wide scope and are of great importance to the welfare and Integrity of the postal service. They are charged with all investigations in relation to compalants against postmasters and other employes of the postal service, and free delivery service; determining the responsibility of sureties on the official bonds of postmasters and once of postofices, the inspection of accounts and the management of postoffices, the inspection of accounts and the management of postoffices, the inspection of accounts and the management of postoffices, the inspection of accounts and the management of postoffices, the inspection of postoffices, the leasing and equipment of premises for postoffice purposes, the wrong payment of money orders, and many cases relating to the burning of postoffices, the leasing and equipment of premises for postoffice proposes. The wrong payment of money orders, and free postoffices, the inspection of a chief clerk, is located in the department of the postal laws, as well as special investig

"The Division of Mail Depredations, under the direction of a chief clerk, is located in the department, and is charged with the records, accounts, and correspondence pertaining to this arm of the service. In order that a complete record may be kept, every complaint or enquiry received at this office is jacketed, briefed, and numbered, and for the sake of convenience these complaints and enquries are divided into classes, as follows:
"A.-Complaints relating to the registered mail.

tered mail.

"B.—Complaints relating to the ordinary mail, or that which is not registered.

"C.—Niscellaneous complaints and enquiries affecting the business or employes of the postal service and violations of the nostal laws.

quiries affecting the business or employes of the postal service and violations of the postal laws.

"D.—Matters pertaining to highway robberies of the mails, robberies of postoffices, and other special depredations.

"F.—Complaints and enquiries affecting mail matter despatched to and received from foreign countries.

"R.—Matters pertaining to claims for reward for the arrest and conviction of persons violating the postal laws.

"The total number of cases of all classes made up during the last fiscal year aggregated 197,96, and the total number disposed of 125,586. The cases investigated and closed during the last year consisted of 4,927 A cases, 62,298 B cases, 49,340 C cases, 2251 D cases, 19,399 F cases, and in 1900, 197,996, and the total number of cases of the continued since. # Catarrh

Is a constitutional disease, It originates in a scrofulous condition o the blood and depends on that condition. It often causes headache and dizziness, impairs the taste, smell and hearing, affects the vocal organs, disturbs the stomach. It is always radically and permanently cured by the blood-purifying, alterative

and tonic action of Hood's Sarsaparilla

This great medicine has wrought the most erful cures of all diseases depending on scrofula or the scrofulous habit.

Boop's Pills are the best cathartic

Brinkman, early yesterday morning in the vicinity of the postoffice. Wagon tracks were found and the footprints of a recently shod horse. A well-dressed drunken man was seen loafing about the postoffice by the night watchman. Several burglar's tools and a dry battery for electric light of an ordinary brand was possible of the bare. But in spite of their serious handlers are E and G, while the Eastern still retains F, and the Western H.

But in spite of their serious handlers. eral burglar's tools and a dry battery for electric light of an ordinary brand was left by the burglars. Prints of the bare feet of a boy or a small man were found. A fragment of a newspaper of October 18

# A PROTEST OVERRULED.

The Treasury Department Decides a Philadelphia Sugar Case.

Treasury Department, in a decision made public today, overruled the protest of E. H. Bailey & Co., of Philadelphia, against the decision of the collector of customs at the port of Philadelphia as to the rate and amount of duties charged on refined sugar imported from the Neth-

of refined sugar produced in and export-ed from the Netherlands. In addition to of the Tariff act of 1897 the collector as-sessed an additional, or so-called counter-valling, duty of 1.72 florins per 100 kilo-grams, the amount found by the Secre-tary of the Treasury to be allowed by the

sugar of the kind in question.

The importers protested against the exaction of this countervailing duty, on the ground that Holland does not grant bounties on sugar; also on the ground that the amount assessed was excessive.

the servant was attracted to the cellar by hearing groams there. On investigation he discovered Dr. Barton lying with a large chair upon his breast. It is believed ne was about lifting up the chair with the intention of setting it aside for the saie. His condition this morning was regarded as very serious. Dr. Henderson Suter is in attendance.

Dr. Barton came to Georgetown from St. Paul, Minn., and has been rector of St. John's several years. He succeeded the Rev. Dr. Back, and has been one of the most energetic rectors the church has ever had. His work among the poor of Georgetown has been particularly noteworthy, though carried on by him in an extremely quiet and unobtrusive manner.

# CONTINUES TO IMPROVE.

Sister Louise Thought to Be Much Better Today.

tinued improvement of Siste Louise has greatly encouraged the physicians who are in charge of her case at Providence Hospital, and the hopes of her recovery have now been revived. Sisfairs of the hospital as sister in charge because of an attack of typhoid fever.

because of an attack of typhoid fever. She grew worse until yesterday morning, when a turn for the better set in. This improvement has continued since.

When the physicians visited Sister Louise this morning they found the fever materially reduced and the patient in a much improved state.

The outcome of a case of typhoid is dependent more upon the nursing, it is said, than upon the work of the doctors. The entire facilities of the hospital, however, are drawn upon in this case, and all

CHARGES AGAINST A HUSBAND.

Mrs. Miller Alleges Habitual Drunk.

Irene L. Miller today filed suit for d vorce against her husband, M. Presto Miller, alleging habitual drunkenness The parties were married in March, 189 and in 1896, as the result of the excessive use of intoxicants, Mrs. Miller declared that her husband suffered from a form of dementia, known as delirium

a form of dementia, known as delirium tremens. Because of the drink habit contracted by her husband, Mrs. Miller states, soon after her marriage she was compelled to leave him and go to live with her parents. Upon his promise to reform, however, she returned to live with him, but was again compelled to leave him.

Because of his intemperate habits, she declares, he neglected his drug business and it eventually became necessary for him to make an assignment. During this time, Mrs. Miller declares, her husband has not contributed properly to the support of herself and infant child. John E. Taylor is named as counsel for the complainant.

Important Changes in the Arrangement of the Companies.

Technical Boys Form Two Commands, Creating a Reduction at the Eastern Institution-Officers of

the Corps-Preparation for Drills.

his daughter, and his son-in-law, their survivors and heirs, in trust, to hold and manage under the following directions The military committee, the control of the military committee, the military committee of the executions of the military committee of the executions of the military committee of Hart, which has charge of the High School cadet companies, has just perfected an entire reorganization of the High School Cadet Corps. There are two bat-tallens in the regiment, each consisting of four companies. Until this year the bat-

talions were composed as follows:
First Battalion, Companies A, B, C, and
D, of the Central High School: Second Battalion, Company E, of the Business, F and G, of the Eastern, and H of the Western. Now, however, owing to the op- it has always been my custom to con-

the new technical school, and, as a regular of Stamps.

CHICAGO, Oct. 2.—It is declared by United States officials, city detectives, and the Pinkertons that the stamp robbery at the postoffice here Saturday or Sunday night was one of the best managed jobs in the history of similar crimes. Scarcely a working clue was left by the robbers, and unless they reveal themselves by engerness to dispose of the stolent stamps there is but slight chance of en stamps there is but slight chance of eastern has readily this year and in place of the seventy-odd boys needed to form one of a public and the cast of affairs was entirely unlooked for a strength of the other hand, however, the Business School, in spite of its already externely overcrowded condition, has grown greatly this year and in place of en stamps there is but slight chance of eastern has redicted to be invested for the benefit of seid church and the income therefrom to be used by the trustees in their discretion in defraying the church expenses, the first is inexpensively as working clue was left by the robbers, and unless they reveal them selves by engerness to dispose of the stolent through the other hand, however, the Business School, in spite of its already externely overcrowded condition, has grown greatly this year and in place of the seventy-odd boys needed to form but one company at the Eastern, and have two at the Business. While this change is the public openion."

It is also suggested that it is inexpensively to one further up town, the testator believing that the interests which this church was organized to promote will be best subserved by its remaining in its present locality to one further up town, the testator believing that the interests which this church was organized to promote will be best subserved by its remaining in its present locality to one further up town, the testator believing that the interests which this church was organized to promote will be best subserved by its remaining in its present locality to one further up town, the test

electric light of an ordinary brand was left by the burglars. Prints of the bare feet of a boy or a small man were found. A fragment of a newspaper of October 18 was also found beneath the building. A mall pouch lock was found under the rault. A flag labeled to tell the burglars which way to turn was put at a corner of the path below the floor.

A PROTEST OVERRULED.

But in spite of their serious handicap in one matter of overcrowded quarters and the fact that they have but a two year course instead of the four-year one of the other schools, the cadets of the Business High School have entered into their work with a spirit and energy that will do much to offset the difficulties that best them. By Thursday, their next felling day, they expect to have at least 14 cadets in line. The officers of the Business High School companies are as follows:

P. Gillam.
Company G.—Captain, B. A. Bowles; first utenant, C. A. Lindsey; second lieutent, F. M. Kerby; sergeants, H. W. um, W. M. Weston, H. C. Bradley, R. Wilson, and H. E. Piatt; corporals, S. Hagan, J. L. Potter, W. L. Crane, and F. Scott.

F. Hagan, J. L. Petter, W. L. Crane, and T. F. Scott.
The commissioned officers of the Cen-tral High School are: Company A—Cap-tain, W. G. Guss; first lieutenant, J. F. Brandenburg: second lieutenant, R. D. Brown. Company B—Captain, C. N. Greg-ory: first lieutenant, S. H. Jackson; sec-ond lieutenant, K. Taylor.
The commissioned officers at the Tech-nical are: Company C—Captain, C. H. Tompkins; first lieutenant, R. S. Baker; second lieutenant, C. A. Eagan. Com-pany D—Captain, W. W. Keynolds; first lieutenant, R. B. Atkinson, and second lieutenant, G. F. Patton.

## FUGITIVES NOT LOCATED.

The Matteawan Hospital Authorities
Without a Clue.

MATTEAWAN, N. Y., Oct. 22.—After a long, hard search, which lasted all day yesterday and throughout the night, the attendants of the Matteawan State Hospital for the Criminal Insane, who have been hunting for the two escaped convicts, John Marini and John Hahn, were still hard at it this morning.

The officers at the State hospital were discouraged today at the situation. Never before in cases of immates escaping have they gone two days without either catching some of their quarries or receiv-

catching some of their quarries or receiv-ing definite knowledge of them. They frankly acknowledge this morning that Justice Barnard to Hear a Number

The only word that aproached a clue ame at 8 o'clock last evening from Cold pring, ten miles to the south of here. A ov eighteen years old, whose name the pital authorities refuse to divulge, came down to the railroad station and said that he had been hunting in the forests on the southern slope of Storm King Mountain. He said that two men had jumped upon him from behind trees, beatperintendent, Mr. Clark, who was at Cold Spring, was inclined to place little faith in the boy's story, but he gave a fairly accurate description of the fugitives, and Dr. H. E. Allison, the medical superin ployes of the institution to search the

# SEARCH FOR A SERVANT.

Jewels Worth \$10,000 Missed by a New Yorker.

NEW YORK, Oct. 2.- The police of the East Eighty-eighth Street station and of the central office detectives are trying to locate a servant named Ida Smeler, who was recently employed in the family of Harris Mandelbaum, of 122 East Eightieth Street, and who disappeared early yesterday morning. Ten
thousand dollars' worth of jewels and \$399

Union Machinists Refuse to Return in gold are also missing.

Mr. Mandelbaum is a prominent real estate dealer with offices at 11 Broadway. The various articles of jewelry, valued at \$10,000, and the \$300 in gold, were placed n the house safe on Sunday evening by Mr. Mandelbaum. When the members of were surprised to find the servant mising. She occupied a room adjoining that in which the safe was. The safe was found unlocked and the money and jew-

## MINNESOTA BANK ROBBERY. Bold Thieves at Fulda Make a Good

LA CROSSE, Wis., Oct. 22.—Robbers entered the Farmers Bank at Fulda, Minn, early yesterday, biew open the vault with nitroglycerine and escaped with \$1,500 in cash and \$3,700 in negotiade drafts.

The robbery was bold and very suc ssful. Persons living near the bank heard a terrific explosion and rushed from their houses, but before they had time to reach the bank, the robbers had mounted horses and escaped down the deserted country road. A posse chased the thieves to Heron Lake, where the trall was lost It is supposed that they took boats at that point. The entire rear end of the bank was torn out by the explosion

Skeptics Turn Bellevers and Are minutes I was far from being convinced. I tried it—a single puff through the blower afforded in stant relief, stopped pain over the eyes and clean-sed the nasal passages. Today I am free from Catarrh." B. L. Egan, Easton, Pa. Sold by F. S. Williams, Ninth and F Streets; Edmonds & Williams, Third Street and Penitsylvania Avenue—17.

## WILL OF MATTHEW G. EMERY. Bulk of the Estate Left in Trust for

The will of the late Matthew G. Em-Dr. Montgomery on the Location of the Municipal Almshouse. or probate. The testator named his wife

He Urges the Commissioners Not to Select a Site in the Neighborhood By the terms of the will the bulk of the of the Potomac or the Eastern Branch-Public Work Ordered.

Dr. C. W. Montgomery, of 623 Sixth Street southwest, has sent a communica-tion to the Commissioners relative to the to take steps first of all for placing the de as possible.

Out of the balance of the estate it is directed, after paying the necessary expenses, that the executors shall pay the eastern part of the District. This, h thinks, unfortunate, and he makes strong plea for the location of the alms house away from the miasma of the Po

Western. Now, however, owing to the opening of the Technical High School, the Central has but two companies and the Technical also has two. These form the first battalion.

But the greatest change has been made in the second battalion. A great number of boys who have been attending the Eastern High School this year entered the new technical school, and, as a result, the number of male pupils at the Eastern this season is much smaller, be-

testator bequeaths \$2,000, and to each of his grandchildren, Emery Cox, Hazel Van Zant Cox, and Theodore Cox, chilespecially that located near Giesboro dren of his daughter, Juliet H. Cox, the The testator further states: "As I have an eleemosenary institution, I am con already made some advances from my property to my deceased son, Matthew G. Emery, jr., for that reason, and also be-

aiready made some advances from my property to my deceased son, Matthew of Emery, Ir., for that reason, and also because I believe his daughter will be otherwise analyty provided for, I do not leave a large legacy to her as I should under the following reasons of which Postmaster General Smith and the company of the content of the protest:

"It is the most imhabitude party of the and it is a large legacy to her as I should under other elecumstances, but as a token of the elegacy to her as I should under other elecumstances, but as a token of the Emery, daughter of my deceased son, and the estate is to be the protest of the population of the city, if per cost of the both of the population of the city, if per cost of the population of the city, if per cost of the both of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the population of the city, if per cost of the per cost

## TO HAVE ELECTRIC LIGHTS. The Hyattsville Common Council

Adopts a Resolution. HYATTSVILLE, Md., Oct. 22.-The com

mon council held an important meeting its president, N. A. Dunning, presented and advocated the passage of an ordi-nance granting Wallace R. McLean, of and advocated the passage of an orunanee granting Wallace R. McLean, of Washington; John R. Toppen, of New York, and Robert W. Wells, of this place, a franchise for the operation of an electric lighting and power plant here.

The franchise is to run twenty years; all matters of dispute, such as location of poles, etc., to be left to a committee consisting of the mayor, three members of the council, and three members of the electric company. The cost of light and power to patrons is to be uniform and the same as the average of twenty representative cities to be selected by the committee of arbitration.

A mass meeting will be held at Magruder's Hall next Friday evening, at which the taxpayers of Hyattsville are expected to be present to discuss and ratify the action of the council. Work upon the plant will begin promptly after the granting of the franchise and the company proposes to put in a plant for the manufacture of ice.
